

RENAISSANCE CAPITAL API PORTAL TERMS OF USE

1. GENERAL

a) By your use of the Renaissance Capital API Portal (the “API Portal”), you agree to be bound by these Terms of Use. If you do not agree with these Terms, please do not accept these Terms and you may not access or use the API Portal. Your continued use of the API Portal means that you accept any new or modified terms and conditions. You agree to review these Terms of Use periodically to be aware of any such modifications. Renaissance Capital LLC and any of its respective affiliates, agents, directors, officers, employees, representatives, successors or assigns (collectively, “THE API PROVIDER”) may make changes to these Terms of Use at any time without notice. Any changes or modifications will be effective upon posting. If you do not agree to any such changes or modifications, your only remedy is to terminate your usage of the API Portal and cancel your account.

b) NOTE THAT THE “ARBITRATION AGREEMENT” SECTION BELOW CONTAINS PROVISIONS THAT REQUIRE, WITH LIMITED EXCEPTIONS, ALL DISPUTES ARISING BETWEEN YOU AND THE API PROVIDER UNDER THIS AGREEMENT TO BE RESOLVED IN BINDING ARBITRATION, AND NOT IN COURT, AND THAT YOU AND THE API PROVIDER WAIVE THE RIGHT TO BRING OR PARTICIPATE IN A CLASS ACTION IN CONNECTION WITH SUCH DISPUTES. ACCEPTANCE OF THE ARBITRATION AGREEMENT WAIVES YOUR RIGHT TO A TRIAL BY JURY OR BEFORE A JUDGE. PLEASE READ THE ARBITRATION AGREEMENT CAREFULLY. BY USING THE API PORTAL AND ACCEPTING THIS AGREEMENT, YOU AGREE TO BE BOUND BY THE ARBITRATION AGREEMENT.

c) The API Portal is divided into two main sections: (i) the Self-Service section for Free and Basic subscriptions and (ii) the Enterprise section for customized subscriptions.

d) The Enterprise subscription will be subject to either an addendum to these Terms of Use or specific terms and conditions, which the API Provider will communicate to you directly/when you enter such sections. The scope of application of these Terms of Use is represented below.

e) Our (i) application programming interfaces (each an “API” and, together, the “APIs”), (ii) the files containing multiple data records (each a “Data File” and, together, the “Data Files”), (iii) any documentation related to the APIs (the “API Documentation”) and (iv) any content made available to you through the API Portal (the APIs, the Data Files, the API Documentation and the API Portal, collectively, the “Materials”) are made available by the API Provider subject to these Terms of Use. If you use the APIs as an interface to, or in conjunction with other products or services of the API Provider, then the terms for those other products or services will also apply. In the event of any inconsistency between these Terms of Use and any additional terms applicable to a given API, such additional terms will prevail. Together, the API Provider refers to the Terms of Use set out herein, any terms provided for in the API Documentation, and any policies and guidelines that are applicable as the “Terms”. You agree to comply with the Terms and acknowledge that the Terms govern the relationship between you and us.

f) The API Provider is an independent contractor and not an agent of you in the performance of these Terms. These Terms shall not be interpreted as facts or evidence of an association, joint venture, partnership or franchise between the parties.

g) You may not assign or transfer any right to use the API Portal or any of your rights or obligations under these Terms without prior written consent from the API Provider. The API Provider may assign or transfer any or all of its rights or obligations under these Terms, in whole or in part, without notice or obtaining your consent or approval.
